Dear Ralph

How are you, today?

I thank for you very much — why ??

We (Anthology Film Archives) has
received a small grant from the New
York State Council on the Arts,

Peter Bradley helped us very much.

I thank for your advice for Peter.

We are going to start a special program
calls, "from Film to Video," including
Jackson MacLow's "Tree Movies,"

I spoke to Jackson who made videotapes of
"Tree Movies" with you in Binghamton, two
years ago — Do you still have the videotapes
of "Tree movies" with you?

Please, let me know if you have the videotapes
of "Tree movies" by Jackson.

Jackson is going to write a letter to you, too.
My love to everybody there — Love Shigeko
